A Litany For Labor Day

By the Federal Council of the Churches of Christ in America

For our ignorance and our greed which has brought to multitudes starvation in the midst of plenty,

Lord, have mercy upon us.

From sense of our own virtue at some slight charity to the unemployed,

Good Lord, deliver us.

From luxury and display, while many have not where to lay their heads,

Good Lord, deliver us.

From heedless comfort in the security of our homes, while families of the poor are evicted from the tenements, their children and furniture upon the street,

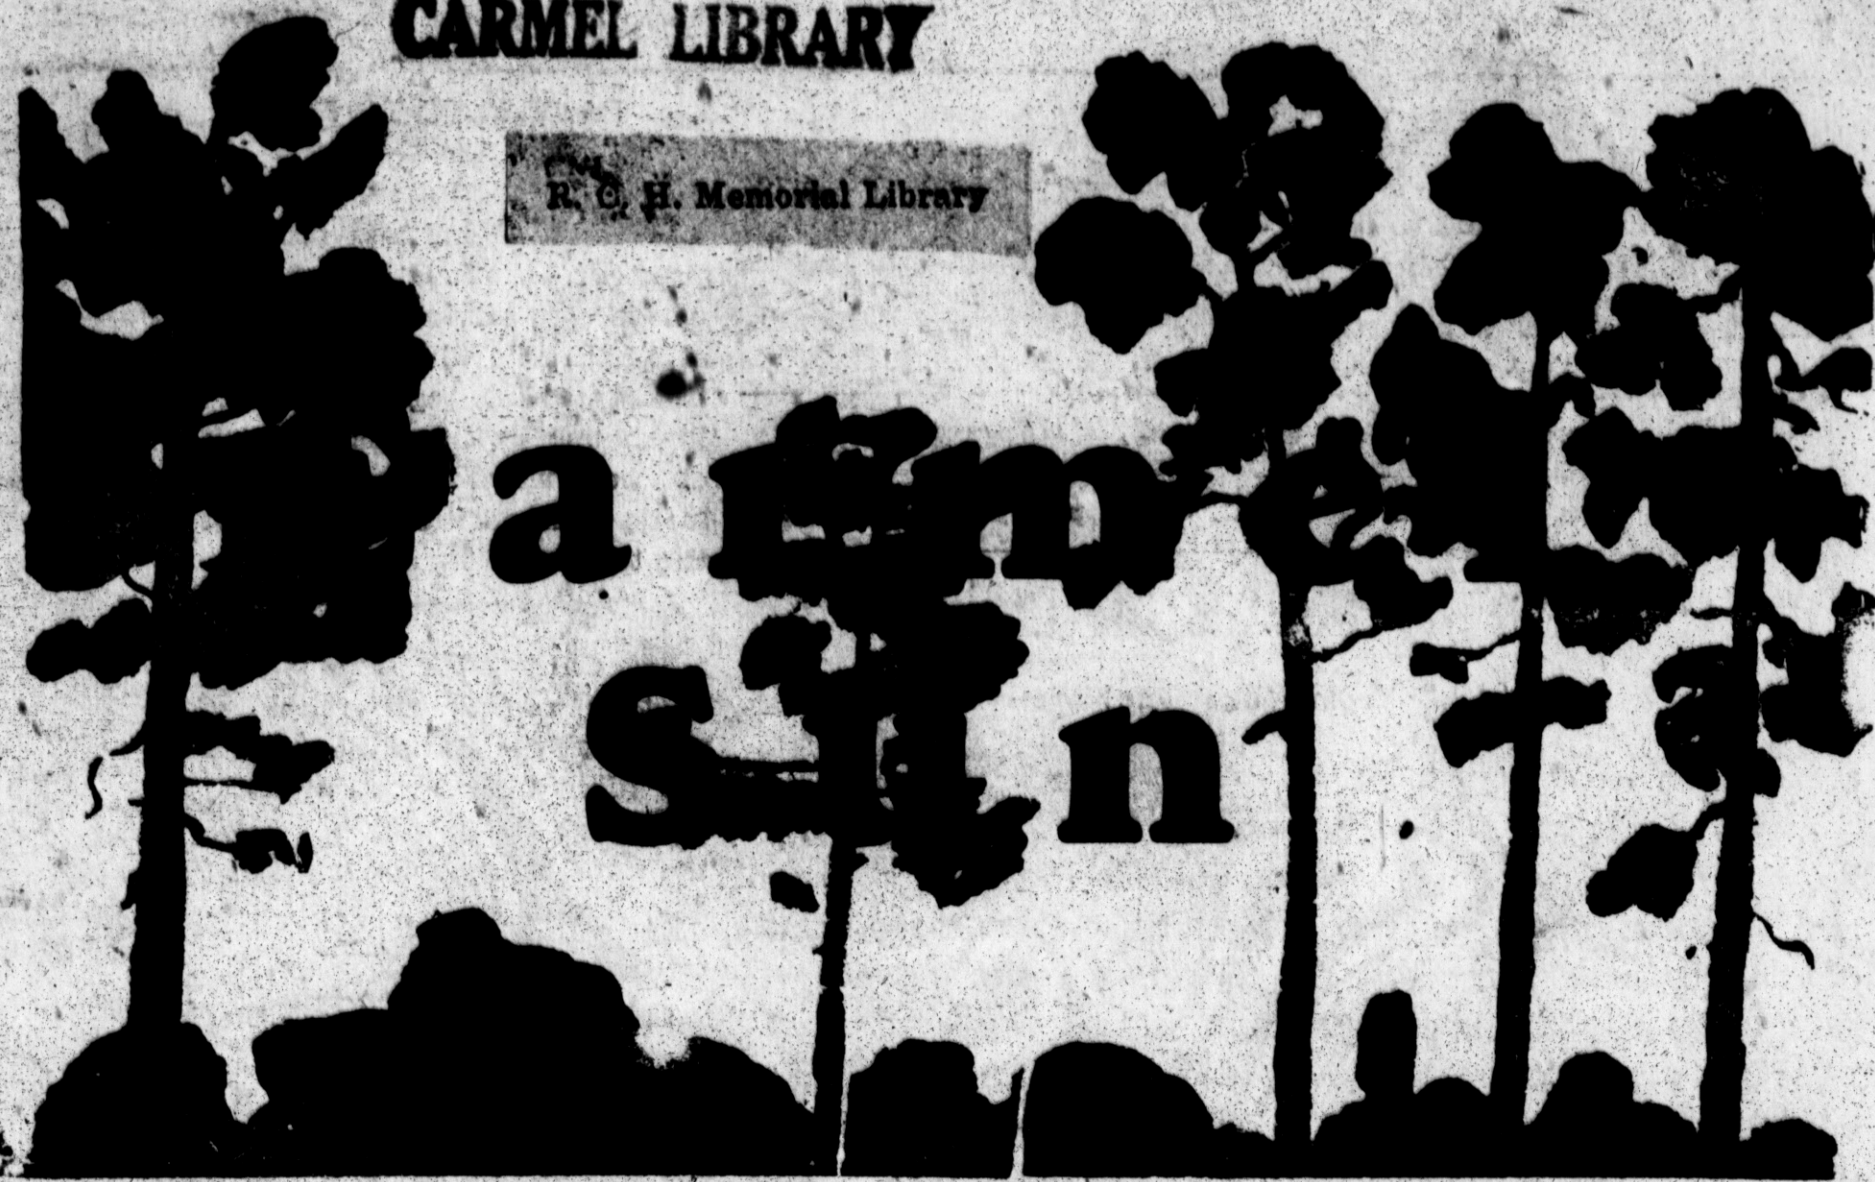

Good Lord, deliver us.

From spending billions for battleships while the un-

Frederic Burt Announces Serra Festival Cast

An able and largely professional cast will enact George F. Marion's mission play, "The Apostle of California," every evening at 8:30 during the Serra Festival at the Carmel Mission, which is set for August 28 to September 1 and at a matinee on Sunday, September 1.

In the cast, which represents different theatrical groups joined to present a play which is representative of the community, is Byington Ford, one of the leaders and most finished actors of the amateur theater, who will have the part of Fr. Junipero Serra.

The cast in order of their appearance as announced by Frederic Burt are: Indian Herald, Joseph McEldowney, Jr.; Maria (the Magdalen), Hildreth Masten; Chief of

Esselen Indians, James Regan; Medicine Man, Scott Douglass; Indian Runner, Jack O'Connell; Calafia, Helen Ware; Fray Crespi, William J. Crabbe; Serg. Ortego, Clinton Tawse; Pedro Vincento, Robert Bratt; Commodore Pedro Fages, Frank Townsend; Junipero Serra, Byington Ford; Oracle, Jack Gribner; Capt. Juan Bautista de Anza, Lloyd Weer; Fray Palou, Dr. W. B. Williams; Antonio, William Shiels; Jose, Jackie Leidig; Fray Lassuen, Harry Downie; Fray Dumetz, Harry Duffree; Juan, Roger MacNeil; tambourine dancer, Ellen McEldowney; Toreador, Allen Knight; leading native musician, Joseph Sanchez; leading Spanish dancer, June Delight; Ruth Austin will direct the Indian dances.

the government taking money from the taxpayers to help the idle, and that the wages of the administrator is allowed to pay are fixed by law.

Col. Beaton said: "It is my job to administer this program according to the regulations as economically and efficiently as possible. I have neither the time nor the inclination to impede the program, or to change the president's policies."

Col. Beaton further said: that he had been threatened with obstruction of the WPA program unless he acceded to the demands of the agitators for higher pay scales. It will be the policy of the Federal administrators office to deal fairly and justly with all persons concerned in the fulfillment of the Federal Works program.

CARMEL AND MISSION PLAY TO BE "ON THE AIR"

On Wednesday evening, August 21, from 7:45 to 8:15 p. m., the "Californians on Parade" radio broadcast, over KGO, and sponsored by Californians Inc., will be devoted to Carmel and Carmel Mission Play.

An appropriate musical program has been arranged by Charles Runyan, of the National Broadcasting Company.

Herbert O. Warren, publicity director, will be the narrator. He was in Carmel Saturday to secure first-hand data for the broadcast. He was accompanied by Mr. Carl Wallen, staff photographer of Californians, Inc., who took pictures for advance publicity on the Pageant Play for release throughout the state and country.

Miss Laverne La Plant and Mr. Wilbur Rate, of Pasadena, were Carmel visitors last week from Wednesday to Saturday, guests of Mr. and Mrs. Luther Crane. Dolores street Saturday all drove to Turlock and brought back Miss Peggy Crane, who had been visiting at the ranch home of Dave Holbeck near that city for two weeks. Miss La Plant and Mrs. Crane are sisters.

Townsend Business Recovery Plan Briefly Told

Basic Foundation

Payment each month to all men and women of 60 years and older of \$200 a month to be spent each month inside the United States.

Establishment of a Revolving Fund for this purpose by a 2 percent transaction tax, under which the payments to citizens over 60 years of age will be collected and distributed each month.

All persons who qualify for this fund must retire from all gainful occupations.

Prudent limitations upon gifts or donations from these payments or their use to support employable persons in idleness.

Strict enforcement of oath to spend the \$200 within 30 days from the time of its receipt within the United States.

Who Is Eligible

All men and women over 60 years of age whose net income is not in excess of \$2400 a year.

Only American citizens, residing in the United States and its territories, are qualified.

No occupants of prisons or hospitals for the mentally incompetent eligible.

Both husband and wife, otherwise qualified, may enroll for payments which are legally described as annuity or annuities.

Loss of Right

Rights of any person to receive payment shall be forfeited for:

Engaging in any gainful occupation.

Violation of any provision of law enacted for its establishment.

Unreasonable and unnecessary maintenance of any able-bodied person in idleness.

Unreasonable or unnecessary employment of any person or payment to any other person as wages or salary in amounts disproportionate to services rendered.

Wilful refusal to pay any just obligation.

Wilful failure or refusal to obey any regulation established for enforcement of the law.

Aim of Plan

To provide security for all persons who reach the age of 60 years to live on an American standard of living.

To remove from competitive labor a sufficient number of citizens to afford opportunity for all employables.

To provide a constant purchasing power for the products of American factories, industries, agriculture and services.

To maintain a balance between consumption and production that will end all depressions.

To protect and preserve all rights, traditions and customs which have been established as true Americanism.

To stimulate ambitions and offer incentives to further progress and development of higher standards of living.

To reduce crime by destroying the conditions which breed crime.

To furnish opportunity to the young for fullest use of their talents and ability.

To safeguard the American home as the unit of modern civilization.

To reduce the terrific burden of taxation caused by public and private charity, by growth of crime, by waste, by maintenance of public institutions which would be rendered unnecessary by increased demands for products and services.

To compel the constant circulation of money and obtain the certain result of better homes.

To constantly raise the standards of living to the levels possible under invention and modern methods of mass production and distribution.

"No Work, No Relief;" Say WPA Director

Interference with the new Federal Work program by agitators will not be tolerated by the Works Progress Administration, Colonel Hugh A. Beaton, Jr., WPA director, with headquarters in Santa Barbara, for the counties of Ventura, Santa Barbara, Monterey, San Luis Obispo and San Benito, told the press today.

Benefits of the federal program will be reserved for those who are or have been on relief, and who are able and willing to work, the federal director for this district declared.

There will be no place on any federal financed program, relief or

otherwise for the idler, the so-called agitator. The president has given orders to liquidate the relief rolls, and in the event of refusal by those on relief, who are physically fit to take the jobs offered to them, they will be immediately refused any further relief.

Certain persons are attempting to break the program down by various means. Some insist on wage scales equal to those paid in private industry. This would defeat the president's objective by removing the incentive of the worker to return to private industry. The workers are not dealing with an employer seeking profit, but with

employed live upon a crust,

Good Lord, deliver us.

From methods of private or public relief which save the bodies of men but destroy their inmost spirit by hurting the finer sensibilities of men and women, robbing them of their pride and self-respect,

Good Lord, deliver us.

From false notions that by preaching we can save the souls of men, while unemployment breaks their hearts, unbalances their minds, destroys their homes, tempts them beyond measure, visits want and disease among their children; turns the heart to bitterness, hatred and rebellion, or to hopelessness, despair and death,

Good Lord, deliver us.

From ever forgetting the forlorn figure of the unemployed; from failure to see that our social fabric is as shabby as his coat, and that our heads must bow in equal shame with his,

Good Lord, deliver us.

From satisfaction with any revival of trade or renewed prosperity while multitudes still can find no work,

Good Lord, deliver us.

That our conscience may know no rest until unemployment is abolished,

We beseech Thee to hear us, good Lord.

That it may please Thee to guide us quickly into the good life in which there shall be peace and plenty; a sharing of labor and leisure and joy by all the children of men,

We beseech Thee to hear us, good Lord.

EASY TEST TO MAKE

How are the hose connections between the engine and radiator of your car, asks L. G. Evans, director of roadside service of the National Automobile Club. A hose connection which has begun to rot on the inside due to the constant passage of hot water carrying various kinds of impurities will be soft to the touch.

The Carmel Townsend Club gave another of its enjoyable whist parties at the Manzanita Club Friday night with a good attendance. The next party will be given at the same place on the night of Friday, August 30.

The Misses Ada and Katherine Blackman arrived in Carmel last week to visit their aunt, Miss Elsa Blackman, for the remainder of the month. The Misses Blackman are the daughters of Mr. Horton Blackman of St. Louis.

Mrs. Valentine Mott Porter has returned from Santa Barbara, where she and her daughter, Valentine, have been visiting Mrs. Mrs. Burton Williams for the past week. Miss Porter will return to Carmel next week.

Miss Myra Palache of Berkeley is spending two weeks in her cottage in Carmel.

Miss Peggy Stebbins of Berkeley has been spending the past week at Forest lodge. Miss Stebbins is the daughter of Mrs. Marion Stebbins, of the drama department of Mills college.

Mrs. Frank Sheridan and son John have arrived in Carmel from Hollywood for a short stay. Frank Sheridan is in the south busy with motion pictures.

FIREMEN ANNOUNCE

WHIST PARTY

The Carmel Fire company wishes to send representatives to the state convention of volunteer firemen soon to be held and to raise the funds necessary to defray the expense the boys will give a whist party at the Manzanita Club on Wednesday evening, August 28. There will be a big array of prizes and refreshments will be served, and all for the small admittance fee of 35 cents. They hope to have every available inch of space taken up by players.

"Who hath known the mind of the Lord, that he may instruct him? But we have the mind of Christ." These words from I Corinthians comprise the Golden Text to be used Sunday, August 25, in all Churches of Christ, Scientist,

branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The subject of the Lesson-Sermon will be "Mind." Included among the Scriptural selections will be: "O the depth of the riches both of the wisdom and knowledge of God! how unsearchable are his judgments, and his ways past finding out! For who hath known the mind of the Lord? or who hath been his counsellor? . . . For of him, and through him, and to him, are all things: to whom be glory for ever. Amen." (Rom. 11: 33, 34, 36).

The following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will also be included: "Mind is God . . . We can have but one Mind, if that one is infinite . . . If God were limited to man or matter, or if the infinite could be circumscribed within the finite, God would be corporeal, and unlimited Mind would seem to spring from a limited body; but this is an impossibility" (pp. 469, 284).

Big Class for Nautical School

A class of approximately 100 students will be admitted to the California Nautical School about October 21, 1935, it was announced recently by Captain R. C. Dwyer, superintendent of the California Nautical School. Entrance examinations for the selection of this class will be conducted at Eureka, Los Angeles, and Sacramento on Friday, September 13, 1935, and at Fresno and San Francisco, Saturday, September 14, 1935. Request for further information concerning the school should be addressed to Training Ship California State, Tiburon, Marin county, California.

No students have been entered in the school for two years. To permit entrance of applicants who have been barred without fault, and who could not now come within the usual age limits, the upward age restriction will be modified for entrance of this class only. Applications will be received from candidates who will not be more than 22 years of age on December 31, 1935.

A successful candidate will be notified and required to report to a medical examiner in the city in which he took his mental test for physical examination within the ten-day period beginning September 18, 1935. It is expected that cadets to enter the school in this class will be selected and notified not later than October 1, 1935.

The school, a California state institution, maintained with the assistance of the United States Navy, trains young men for service as officers of ship of the merchant marine, and parallels, for commercial shipping, the work of the United States Naval Academy for the navy.

Although no scholastic preparation has been defined, candidates for the school should be graduates of high schools, and they must be between the ages of 17 and 22 years. Completion of the course requires three years. Training voyages on the California State are part of the course; previous cruises having taken the cadet corps around the world. Fees are relatively low, as federal government and the state jointly bears the major costs.

JOSEPH G. HOOPER SUCCUMBS

Joseph G. Hooper, resident of Carmel for 25 years and until recently prominent in San Francisco banking circles, passed away at the Monterey hospital shortly after noon Friday.

He had been ill for some time. Funeral services were held Saturday at 12:30 p. m., at the Carmel mission, with burial in the family plot at the Monterey Catholic cemetery.

It was in 1910 that Joseph Hooper and his large family came first to Carmel. They became closely identified with the village during its early years when vacations found them dwelling there. Some years later they built at Camino Real and 13th street, and the home has since been the center of much activity.

"...the basement's mine—
we put in GAS HEAT"

THE WHOLE FAMILY will have cause to celebrate when gas heating makes it no longer a burden to keep your house warm in cold weather. Compact out-of-the-way floor furnaces and unit heaters conserve space and deliver a lively volume at low hourly operating cost. For basements, there are central furnaces which operate automatically to save countless steps and deliver year-round heating to every room without fuel handling or storing. With any type of installation, you have that old storage space available. Why not make the basement a playroom?

Best of all, too, gas heating costs are low when all the facts are known. The most carefully budgeted home, the one in which costs are definitely known, seldom fails to realize that gas heating costs less.

Give your home effortless and economical heating this winter. All types of gas heating equipment can now be purchased on very easy monthly terms. Come in and see how little it will cost you to buy and to operate the kind of gas heating your home requires.

WATCH THIS HAZARD

Driving without lights at high speed on a darkened highway is a highly dangerous and disconcerting experience that has come to many motorists in these days of light-acting headlight controls located at the hub of the steering wheel.

Catching a sleeve in the light switch when turning the wheel is quite likely to bring the motorist face to face with this dismaying experience, states the public safety department of the National Automobile Club. A good way to prevent it is to avoid making a habit of laying the arm across the center of the steering wheel when making a turn. Take hold of the wheel at the top and you will take less of a chance of having the lights turned out when you are swinging around a corner on a dark country highway.
